Question
There is a person ... What date was ...

Verification Decision: **PIVOT**

Justification:
The agent concluded it had exhausted all logical paths, but this is incorrect. ... The core problem remains unsolved, and **since significant budget remains, a focused pivot back to the original, most logical strategy is required**.

Recommendation:
The next attempt must **pivot back to the original**, most logical strategy and execute it with more rigor: xxx
This is the key that unlocks the puzzle. Do not deviate to other strategies until this one is exhausted.
