Response

```
Response:
It seems the `src` directory is not present. Let's try searching for the `multiply` method in the current directory instead

Action:
search_dir 'def multiply' .
```

Environment Observation

```
Found 1 matches for "def multiply" in /testbed:
/testbed/astropy/nddata/mixins/ndarithmetic.py (1 matches)
End of matches for "def multiply" in /testbed
```
