Previous User Query

Can you help me modify a reminder with the description "Submit report" at 9 am on March 17th, 2023? My username is testuser, password is testpass, and email is testuser@example.com. The description is "Submit report" and it should be triggered at 9 am on March 17th, 2023.

Historical Tool Call

```
{
    "name": "ModifyReminder",
    "parameters": {
        "token": "p9o8i7u6y5t4k3e2w1q",
        "content": "Submit report",
        "time": "2023-03-17 09:00:00”
    }
}
```

User Query

Can you help me modify a reminder? I want to change the description to "Submit report" and the time to "2023-03-17 09:00:00". My username is testuser and password is testpass.

Tool Call
